

FlipQuiz

flipquiz.me

FlipQuiz allows you to create your own game show-style board. You can create multiple boards to save for later use and reuse. Perfect for a review session! Unlike a PowerPoint created file, FlipQuiz will keep track of which questions have been asked.

Free Version:

- Up to 6 categories with 5 questions in each
- Use quiz over and over
- Access from anywhere

Pro Membership:

Same features as Free plus:

- \$7.00/month or \$70/year
- Team scoring
- Upload images
- Copy other user boards
- Flash cards for students
- Private Boards
- Custom Points

Prezi

Prezi is a cloud-based presentation software. It helps the presenter to create memorable presentations by allowing motion, personalization, and visual representation of related ideas.

Plans for students and teachers

Available if you have an email address associated with an educational institution.

Your current plan		
<h3>Edu Enjoy</h3>  <p>Make your presentations private</p>	<h3>Edu Pro</h3>  <p>Make presentations private and edit offline with Prezi for Windows/Mac</p> <p>Start free month</p>	<h3>Edu Teams</h3>  <p>Prezi for your team or organization</p> <p>Learn more</p>

VoiceThread

voicethread.com

VoiceThread allows you to upload, share, and discuss documents, presentations, images, audio files, etc. You can communicate by using a microphone, web cam, text, phone, or audio file upload. It does not need to be downloaded to your computer since it is a cloud application. However, there is an Apple app available.

You can integrate VoiceThread into Blackboard! With a VoiceThread account, users can make comments straight from Blackboard. Otherwise, they are still able to view the presentation.

Free

- Create up to 5 VoiceTreads
- Comment by microphone & text

Single Instructor License

- 1 Pro account for the instructor
- 50 Basic accounts for students
- \$99/year

Department License

- 10 Pro accounts for faculty
- 250 Basic accounts for students
- 1 webinar-style training session

Site License

- Pro accounts for all faculty
- Basic accounts for all students
- Two online training session

	Pro	Basic	Free
Access to Manager	Admin only	No	No
Create Groups	Yes	No	No
Share Securely	Yes	Yes	No
Number of VoiceThreads	Unlimited	50	5
Upload audio files as comments	Yes	Yes	No
Slides per VoiceThread	500	500	50

Educreations

educreations.com

Educreations turns your iPad into a recordable whiteboard. You can record your voice, handwriting, & photos for free! Other options, such as the ability to record websites, is available with the paid version.

- Instructor Use:
 - Create a lecture to:
 - post on Bb.
 - have available to students who are absent
 - In math, show a problem being solved and/or insert related graphs
 - In vet med, identify the areas of an animal.
 - In biology, label the parts of a microscope.
 - Many more uses!
- Student use:
 - Create a video for homework.
 - Demonstrate learning a new concept.
 - Present information to classmates or the teacher.

Basic

- FREE
- Record & share lessons
- Basic whiteboard tools
- Create & join classes
- Save 1 draft at a time
- 50MB of storage space
- Email Support

Pro School

- \$1495/year
- Teacher & Student management
- Pro for all teachers' students
- Configure in-app features
- Centralized billing management
- Unlimited storage space
- Dedicated support specialist

Pro Classroom

- \$8.25/month (\$99/year)
- Export Videos
- Advanced whiteboard tools
- Import docs, maps, & more
- Save unlimited drafts
- 5GB of storage space per user
- Priority email support

ink2go

ink2go.org

ink2go is a screen annotation and recording software. You can easily write on any running applications, including videos. It can be helpful to instructors during face-to-face courses as well as video tutorials for online learning. It is available for both Windows and Mac.

Single license - \$19.90 with free upgrades

15-day free trial available

Features include:

- Record High-Quality video of entire desktop together with your annotation as a video.
- Let you define a region of interest on the screen and only record within that region.
- Record your voice from the microphone.
- Allow pause and resume during a recording session.
- Toggle between your desktop screen and a whiteboard/blackboard with just a single-click. Helpful when you want to quickly show your idea on a clean page.
- Let you create a new page to annotate without destroying the current annotations. You can easily go back and forth between the created pages.
- 8 pens, 4 highlighters and 3 erasers of various colors and sizes for your convenience.
